The petitioner has filed the above Writ Petition praying for issuance of a Writ of directing the respondent herein to release his vehicle - Tipper lorry bearing Registration Number TN-323555, Colour - H.Yellow, Engine Number GVE214575, Chassis Number GVE331071 which is a goods carrying Tipper lorry in accordance with law.

2. Heard the learned counsel appearing for the petitioner and the learned Special Government Pleader appearing for the respondent.

3. According to the petitioner, the respondent has seized the vehicle in question on 28.10.2018 on the ground of illegal mining and till date, no order for release of the said vehicle had been passed by the respondent. Hence, he has come forward with the present Writ Petition.

4. On the other hand, it is submitted by the learned Special Government Pleader appearing for the respondent that the vehicle in question was used for illegal transportation of mines and minerals like sand, etc., and hence the vehicle was seized. He further submitted that the petitioner has no previous case.

5. In any event, as the vehicle is under the custody of the respondent from the date of seizure and considering the fact that if the same is allowed to be kept idle by exposing the same to rain and shine, it would certainly diminish their value, this Court is of the view that the vehicle in question may be released by imposing conditions on the petitioner.

6. Accordingly, the respondent is directed to release the vehicle in question to the petitioner within a period of 7 days from the date of compliance of the below mentioned condition Nos.(i) to (iii) :

(i) The petitioner shall deposit a sum of Rs.50,000/- (Rupees fifty thousand only) before the jurisdictional Tahsildar concerned as non-refundable deposit. After receipt of the above said amount, the same will have to be deposited by the jurisdictional Tahsildar concerned, to the credit of the District Mines and Minerals Foundation Trust as non-refundable deposit.

(iv) The petitioner shall not alienate the vehicle in question till the disposal of the proceedings before the authority concerned.

(v) The petitioner is also directed to participate in the enquiry to be conducted by the respondent.

7. With the above observations and directions, this Writ Petition is disposed of. No Costs.
