ORDER

(Order of the Court was made by M.M.SUNDRESH, J.)

Alleging that the order dated 10.06.2014 passed in Cont.P.No.3 of 2014 has not been complied with, the present contempt petition has been filed.

2. Today, when the matter is taken up for hearing, in purported compliance of the order passed on 14.06.2019, the status report has been filed by the third respondent, which indicates that upto 01.04.2019, 126 permits have been cancelled. Further, suspension orders were passed in 5017 cases and a huge sum Rs.4 crores and odd amount has also been collected by way of fine.

3. Though we find that this is not a complete compliance of the order passed, some steps were indeed taken. In such view of the matter, we close the contempt petition with the observation that henceforth, whenever violation is found, there shall not be any awarding of compounding fee by way of fine. Thus, in tune with the earlier order passed, the offenders are to be proceeded with through the suspension of permit or the cancellation, as the case may be.
