When the matter is taken up for hearing, there is no representation for the petitioner. Though the writ petition is of the year 2011 and the same is pending for quite eight long years, the petitioner has not chosen to appear to argue the matter on 06.09.2019 and even today, which show that the petitioner is not interested in prosecuting the case.

Accordingly, the writ petition is liable to be dismissed and the same is dismissed for non prosecution. No costs.
