The petitioner-Company has filed the above Writ Petition praying for issuance of a Writ of Mandamus to direct the third

respondent to release the petitioner's vehicle bearing Registration No.TN-18-AD-9031 Ashok Leyland Multi Axle goods vehicle, kept under the custody of the third respondent pending investigation in Crime No.50/2019, dated 10.02.2019.

2. Heard the learned counsel appearing for the petitioner and the learned Special Government Pleader appearing for the respondents.

3. According to the petitioner-Company, the respondents have seized the vehicle in question on the ground of illegal mining and till date, no order for release of the said vehicle had been passed by the respondents. Hence, the petitioner-Company has come forward with the present Writ Petition.

4. On the other hand, it is submitted by the learned Special Government Pleader appearing for the respondents that the vehicle in question was used for illegal transportation of mines and minerals like river sand and there was no valid permit and hence the vehicle was seized. He further submitted that the petitioner has no previous case.

5. In any event, as the vehicle is under the custody of the respondents from the date of seizure and considering the fact that if the same is allowed to be kept idle by exposing the same to rain and shine, it would certainly diminish its value, this Court is of the view that the vehicle in question may be released by imposing conditions on the petitioner.

6. Accordingly, the respondents are directed to release the vehicle in question to the petitioner-Company within a period of 7 days from the date of compliance of the below mentioned condition Nos.(i) to (iii) :
