[Order of the Court was delivered by KRISHNAN RAMASAMY ,J]

Petitioner has filed the above Writ Petition praying for issuance of a Writ of Mandamus directing the respondents to release the petitioner's JCB vehicle bearing Registration No.TN63 AL 1755 respectively, which was seized by the respondent in connection with Crime no.71/2019 on the file of the 2nd respondent.

2. Heard learned counsel for petitioner and the learned Additional Government Pleader for respondents.

3. Learned counsel for petitioner submits that the respondents have seized the vehicle in question on 24.03.2019 on

the ground of illegal carrying of sand and till date, no order for release of the said vehicle had been passed by the respondents. Hence, the petitioner has come forward with the present Writ Petition.

4. On the other hand, it is submitted by learned Additional Government Pleader for the respondents that the vehicle in question was used for illegal transportation of mines and minerals like river sand and hence, the vehicle was seized. He would further submit that petitioner has no previous case.

5. In any event, as the vehicle is under the custody of the respondents from the date of seizure and considering the fact that if the same is allowed to be kept idle by exposing the same to rain and shine, it would certainly diminish its value, this Court is of the view that the vehicle in question may be released by imposing conditions on the petitioner.

6. Accordingly, the respondents are directed to release the vehicle in question to the petitioner within a period of seven (7) days from the date of compliance of the below mentioned condition Nos.(i) to (iii):

- (i) Petitioner shall deposit a sum of Rs.25,000/- (Rupees twenty five Thousand only) before the jurisdictional Tahsildar concerned as non-refundable deposit. - (iv) Petitioner shall not alienate the vehicles in question till the disposal of the proceedings before the authority concerned.
- (v) Petitioner is also directed to participate in the enquiry to be conducted by the respondents.
