COMMON ORDER

The case of the petitioner is that the clause 3 (g) of the prospectus issued by the Selection Committee, Directorate of Medical Education for admission in the year 2017-2018 is without any rational and violative of doctrine of erratum under Article 14 of the Constitution of India.

2. The grievance of the petitioner is that till 2017-2018, the eligibility criteria for considering the candidate under the Tamil Nadu Native category, the said candidate should have studied in Tamil Nadu from 8th to 12th standard, whereas this has been amended in the admission year 2018-2019 as 6th to 12th standard which has put the petitioner by irreparable loss.

3. When the matter was heard at the time of admission, this Court has passed an Interim Order to permit the petitioner to participate in the counselling and allotted seat as per the Original Rank Sheet held by them. Accordingly, the petitioner has participated in this counselling.

4. In the Counter Affidavit filed by the second respondent, it appears that though the petitioner was permitted to participate in the counselling she was not allotted any seat, since she did not secured cut off mark for admission.

5. In the light of the above the factual aspect, without advertent to merit of the Writ Petitions, they are dismissed as infructuous. No cost. Consequently, the connected Miscellaneous Petitions are also closed.
