In all these writ petitions, the respective writ petitioner challenged the notification of the respondents dated 08.09.2017, 01.11.2017, 05.09.2017, 11.09.2017, 03.11.2019 and 04.09.2017 disqualifying the respective writ petitioner as Director of the respective Company. Consequently, the petitioners seek for permission to get themselves reappointed as Director of any Company or appointed as Director in any Company without any hindrance.

2. It is submitted by the learned counsel appearing for the petitioners that the issues raised in these cases were already raised by similar writ petitioners questioning the very same notifications and that those issues were considered and decided by this Court in favour of those petitioners in its earlier order dated 03.08.2018 made in a batch of cases in W.P.Nos.25455/2017 etc., wherein this Court, after hearing both parties, allowed those writ petitions by setting aside the impugned notifications therein.

3. Learned Additional Solicitor General appearing for the respondents submitted that though the issues raised in the present cases are also covered by the above said earlier order passed by this Court in the batch of cases dated 03.08.2018, Writ Appeals are filed against the said order and the same are pending. However, he admitted to the position that no stay is granted in the Writ Appeal staying the operation of the order passed in W.P.No.25455/2017 etc. batch case dated 03.08.2018.

4. Therefore, it is an admitted fact that the subject matter notifications under challenge in these writ petitions were already challenged before this Court in the earlier batch by raising the very same contentions/ grounds as raised in these writ petitions and that those contentions/ grounds were

considered by this Court in detail and a common order was passed on 03.08.2018 in those writ petitions thereby allowing the same and setting aside the very same impugned notifications. After going through the above said common order passed in detail and the reasoning and findings rendered therein, I am in full agreement with the above decision made in respect of the very same impugned notifications. Though it is stated that the said common order is put to challenge by way of filing Writ Appeal, it is seen that the said order has not been stayed by the Division Bench. Hence, it is apparent that the order dated 03.08.2018 passed in similar matters is in force.

5. Considering the above stated facts and circumstances and in view of the fact that the very same notifications challenged in these writ petitions are the subject matter in those cases and that this Court has allowed those writ petitions by setting aside the impugned notifications therein and further considering the fact that the said order dated 03.08.2018 has not been stayed in Writ Appeal and thus the same is in force even as on today and since this Court is in full agreement with the findings rendered therein, all these Writ Petitions are allowed and the impugned orders are set aside by following the earlier order dated 03.08.2018 passed in W.P.No.25455/2017 etc., batch. Consequently, the connected miscellaneous petitions are closed. No costs.
