ORDER

This Writ petition has been filed to issue Writ of Mandamus directing the respondents to pay backwages from the date of dismissal to the date of retirement and pension and other terminal benefits to the petitioner.

2. On perusal of the record, it is seen that a joint memo for compromise has been signed by the legal heirs of the deceased Mr.D.Thanigaivel and by the Managing Director of the Metropolitan Transport Corporation, Chennai, in which the petitioners 2 to 4, who are legal heirs of the deceased workman agree to forego entire back wages for the non employment period from the date of dismissal to the date of death on condition that the management agreed to settle the terminal benefits of the workman with continuity of service with wage settlement benefits only. The petitioners 2 to 4 agree to pay employer's PF contribution without interest to the PF trust for the above non employment period. The 1st respondent management agrees for the terms put forth by the petitioners 2 to 4. With the above terms the settlement is arrived by both the parties.

3. It seems that the 1st respondent/Transport Corporation filed the writ petition in W.P.No.18928 of 2016 against the dismissal order of the lower court. It is agreed by the respondent/Transport Corporation that the said writ petition will be withdrawn.

4. In view of the above compromise, the writ petition stands disposed as settled.
