(Judgment of the Court was delivered by N.KIRUBAKARAN, J)

The appellant is the owner of a piece of land to an extent of 0.30.0 hectares comprised in survey No.61/2 of Vedal Village, Cheyyur Taluk, Kancheepuram District. The said land was acquired under the Provisions of the Tamil Nadu Acquisition of Land for Industrial Purposes Act, 1997 (T.N.Act 10 of 1999). Even though the respondent was called for private negotiation and was offered Rs.6,500/- per cent, the respondent was not agreeable to the said offer and subsequently, an award has been passed on 09.11.2015, fixing compensation at Rs.6,500/- per cent. The said order was challenged before the learned single Judge. It was contended before the learned single Judge that the compensation has to be determined as per the new Act. After hearing the parties, the learned single Judge set aside the award in respect of the respondent and remanded the matter to the Land Acquisition Officer to quantify the compensation either through private negotiation or by holding an enquiry and pass orders as per the new Act. The said order is being challenged before this Court.

2.Mr.V.Anandhamoorthy, learned Additional Government Pleader would submit that so far no award has been passed which is also confirmed by the learned counsel appearing for the respondent.

3.Since the award has been passed on 09.11.2015, after the new Act came into force, the learned single Judge only remanded the matter to the Land Acquisition Officer to decide about the quantum of compensation as per the new Act and therefore, there is no illegality in the order passed by the learned single Judge.

3.Accordingly, the appeal fails and the same is dismissed. The Land Acquisition Officer is directed to pass order as per the learned single Judge's order within a period of eight weeks from the date of receipt of a copy of this order, after giving opportunity to the respondent. No costs. Consequently, connected Miscellaneous Petition is also closed.
