O R D E R

The main ground on which the petitioner seeks for re-investigation in Crime No.140 of 2017 is that the vital document could not compared by the Forensic Department, is that of the admitted document, since comparison signature was not available.

2 In my view, the re-investigation need not afford on this ground, in view of Section 311 -A Cr.P.C., which empowers the Magistrate to order the person, who give the specimen signature or hand writing and in view of this provision, it would not be appropriate to consider the prayer sought for and interfere with the charge sheet which was laid way back in the year 2016.

3 With this above observations this Criminal Original Petition stands closed. No costs. Consequently, connected miscellaneous petition is closed.
