This Habeas Corpus Petition is filed by the mother of the detenu seeking a direction to the respondents to produce the body of her son namely, Mr.G.Chandrasekar, aged 52 years, detained illegally by the third respondent at the unknown address, before this Court and set him at liberty.

2. Heard the learned counsel appearing for the petitioner and the learned Additional Public Prosecutor appearing for respondents 1 and 2.

3. The petitioner and respondent No.3 are present. We have had prolonged discussion with both of them. It is revealed that the detenu, who is the husband of respondent No.3, has been admitted with Nanmayam Life Care Centre, which is a day care Centre, situated at Plot No.62, 4th Cross Street, Farm Grove, Seenivasan Nagar, Kazhippattoor, [OMR], Chennai - 603 103. The husband of respondent No.3 has been admitted in the above said Centre being an alcoholic addict, and he is taking treatment from 05.03.2018 onwards. While the respondent No.3 has stated that the petitioner and her husband have been informed, it is the case of the petitioner that it is not so. We do not propose to go into the said controversy. Respondent No.3 has got no objection for the petitioner and her husband visiting the above said Centre to see their son, who is taking treatment. We also make it clear that the aforesaid Centre shall not give any objection in respect of the visit of the petitioner and her husband as and when required.

4. With the above said observations, the Habeas Corpus Petition shall stand closed, as there was no illegal confinement of the detenu.
