COMMON ORDER

By consent, the main writ petition is taken up for final disposal at the admission stage itself.

2. The petitioners herein are claiming themselves as disabled persons and seek permission to put up bunk shop in a particular place and after making a representation, now approached this Court by way of writ petition seeking Mandamus.

3. The Tamil Nadu Street Vendors Act, 2014, has drawn a scheme for rehabilitating the existing street vendors. The Corporation has already completed the exercise of enumerating the existing street vendors and it is in the process of allotting space to them in the identified locations. As far as the petitioners are concerned, they have put up the shop in a place where the bunk shops are not permitted and that too after the completion of enumeration. Hence, their request in the writ petition cannot be acceded. In the event of future allocation of shops, the application of the petitioners shall be considered by the committee taking note of the physical disability of the petitioners herein.

4. Accordingly, these writ petitions are disposed of. Consequently, the connected miscellaneous petitions are also closed. No costs.
