ORDER

[Order of the Court was delivered by T.S.Sivagnanam, J.]

Heard Mr.N. Elumalai, learned counsel for the applicant. It is represented that one of the counsels, who have filed the review application has since become a Special Government Pleader, therefore, adjournment is sought for engaging a new counsel.

2. We decline to grant adjournment for more than one reason. Firstly, the review was filed in the year 2017, much after the order and direction issued in the writ petition was implemented. It is admitted by the petitioner that already the offending construction in the encroached water body has been removed. Furthermore, the Division Bench, while disposing of the writ petition, took note of the decision of the Full Bench in the case of ***T.K.Shanmugam Vs. The State of Tamil Nadu [reported in 2015-5-L.W. 397]*** and issued directions.

3. We have perused the grounds of the review and we find that, at best, the same can be grounds of appeal but not grounds of review. It is settled legal position that review application is not an appeal in disguise.

4. Thus, for the above reasons, we find no reason to review the order passed in W.P.No.42032 of 2016. In the result, the review application stands dismissed. No costs. Consequently, connected miscellaneous petition is closed.
