COMMON ORDER

The relief sought for in the present Writ Petitions is to declare that B.E. (Electrical and Electronics Engineering) and M.Tech (Remote Sensing) and B.E. (Electronics and Communications Engineering) and M.E. (Computer Science and Engineering) degree are eligible for the post of Assistant Professor and consequently, to direct the respondents 2 to 6 to consider the writ petitioners, who possesses B.E. (Electrical and Electronics Engineering) and M.Tech (Remote Sensing) and B.E (Electronics and Communications Engineering and M.E. (Computer Science and Engineering) degree to the post of Assistant Professor in any of the constituent colleges and affiliated colleges under the second respondent.

2.All appointments to the post of Assistant Professor ought to be done strictly in accordance with rules in force. The post of Assistant Professor is to be filled up by following the procedures contemplated and through open competitive process. All eligible candidates, who are all aspiring to secure a job in public employment, must be provided with an equal opportunity, which is the Constitutional mandate. Thus, the authorities competent while undertaking process of selection should ensure that the qualification prescribed by the University Grants Commission and All India Council of Technical Education is to be followed scrupulously. The authorities competent are bound to follow the guidelines issued by the UGC and AICTE in this regard, while selecting the candidates for appointment to the post of Assistant Professor.

3.If at all the qualification of B.E. (Electrical and Electronics Engineering) and M.Tech (Remote Sensing) and B.E. (Electronics and Communications Engineering) and M.E. (Computer Science and Engineering) are equivalent for the purpose of appointment as per the rules in force, the writ petitioners are at liberty to participate in the process of selection.

4.It is brought to the notice of this Court that the writ

petitioners were permitted to conduct class as Visiting Faculty and such position would not confer any right to claim permanent appointment to the post of Assistant Professor. Undoubtedly, mere conducting class as Visiting Faculty in a College or University would not confer any right on the candidates. All candidates even after serving as Visiting Faculty should undergo process of selection and secure the appointment through open competitive process and not through the experience as Visiting Faculty.

5.This being the legal principles to be followed, the writ petitioners have to participate in the process of selection, if any recruitment notifications are issued. This Court wishes the writ petitioners to get employment on merits.

6.With these observations, these Writ Petitions stand dismissed. No costs. Consequently, connected miscellaneous petitions are closed.
