This petition has been filed seeking a direction to the first and second respondents to grant adequate police protection to the life and limb of the petitioner, based on his complaint dated 30.04.2016.

2. Heard both sides.

3. The grievance of the petitioner is that he has obtained a decree for possession against the third respondent. Now, he has also filed execution proceedings and the same is pending before the Executing Court. In the meantime, the third respondent is not permitting the petitioner to enjoy the fruits of the decree. Hence, he seeks police protection.

4. It is an admitted fact that there is a decree for possession in favour of the petitioner and it is to be executed, and

only by executing the decree, the petitioner can be put in possession. Instead of approaching the Civil Court concerned for possession, the petitioner cannot approach the police seeking police protection. Hence, the Criminal Original Petition is dismissed.
