5. This Court is not convinced with the statement of the learned Counsel for the petitioner that the vehicle belonging to the petitioner is not involved in any illegal transportation or illegal mining. Having regard to the fact that the loss that may be caused to the petitioner if the vehicle is allowed to be kept idle is irreparable, this Court is inclined to issue the following directions:

(*) (a) The petitioner is directed to deposit a sum of Rs.50,000/- (Rupees Fifty thousand only) in cash before the third respondent;

(*) (b) The petitioner is directed to produce all the documents to prove the ownership of the seized vehicle before the third respondent;

(c) The petitioner has to file an affidavit of undertaking that she will cause production of the vehicle in question before the competent/concerned respondent (as the case may be) as and when called for and further, she will not alienate the vehicle in question till the appropriate proceedings initiated are completed;

(*) (d) On compliance of the above conditions, the third respondent is directed to release the seized vehicle bearing Chassis No.MEA62D61AK2234392, Engine No.S337 B20491, to the petitioner (if he is in custody and possession), within three days from the date of receipt of a copy of this order;

(e) This order for the release of the vehicle can be pressed into service by the petitioner only if the vehicle is not in the custody of the criminal Court. If the vehicle is in the custody of concerned Criminal Court of appropriate jurisdiction, then, option is given to the petitioner to approach the concerned Judicial Magistrate to get release of the vehicle, by filing necessary application in the manner known to law and in accordance with law; and
