ORDER

The petitioner is the owner of a **Lorry** (in short 'vehicle') bearing Registration No.TN-46-C-5467 and is letting the same out for hire. On 25.05.2019, the vehicle was seized by the third respondent on the ground that it was transporting river sand without a valid license. The vehicle is presently in the custody of the respondent police.

2. According to the petitioner, the above allegation is incorrect and his stand will be vindicated in the course of enquiry, that is, according to the learned Government Advocate, who appears for all the respondents, presently on-going.

3. It is represented that a case in Crime No.159 of 2019 has been registered by the Sub-Inspector of Police, Thiruchuli Police Station, Virudhunagar District.

4. Pending enquiry, I am of the view that the vehicle should be handed back to the possession of the petitioner for the reason that the respondents are not in a position to protect the same against the onslaught of the elements.

(vii) Action taken report will have to be sent by the District Collector concerned for the purpose of taking necessary action. The District Collector concerned shall

take appropriate departmental action by himself as per the Rules provided so.

(viii) Separate records will have to be maintained by the Village Administrative Officer, Tahsildar and Officer in-charge of the Department of Geology and Mining with respect to the cases involving illicit mining.

(ix) As and when illicit mining is reported, the same will be recorded in the records.

(x) The respective District Collectors will have to ensure by making wide publicity of phone particulars assigned to the District Level Task Forces and the Taluk Level Task Forces, so that, the general public can give their complaints. There should be affixture or display of the phone particulars in the Collectorate, Taluk office, Office of Deputy Director and Assistant Director of Geology and Mining and that of the Village Administrative Officer.

(xi) Complainant will have to be intimated on the action taken within a period of one week from the date of receipt of the complaint. A complaint shall also be received even when made through phone calls.

(xii) Complaints by an authorised person under Section 21 of the Mines and Minerals (Development and Regulation) Act, 1957 are to be made immediately and not later than one week from the date of seizure.

(xiii) Whenever, a final report is filed for the offence under Section 379 IPC by the jurisdictional police before the jurisdictional Magistrate, the same shall also be committed to the Special Court. This is for the reason that it would be appropriate to deal with both the police case and the private complaint by the same Court and in order to avoid any possible conflict.

(xiv) The revenue officials at the time of seizure can issue a memo to the person in-charge of the vehicle, mineral among other things, indicating the seizure made, along with the date and time.

(xv) In so far as the seized vehicles are concerned, they shall be produced before the concerned Magistrate Court by the revenue authorities at the time of filing their respective complaints.

(xvi) Any application for release of vehicle etc., can only be filed before the Special Court alone.

(xvii) Any violation of the above would constitute a contempt of the order passed by this Court, for which, appropriate application can either be filed before the First Bench of this Court or any other Bench as per the direction of the Hon'ble Chief Justice."

7. Directions No: (xiii) & (xvi) above provide for action to be taken before / by the Special Court, that is, as confined by the same Division Bench on 11.01.2019 in a batch of writ petitions (W.P. (MD) No.22023 of 2018 (batch)), yet to be constituted. Till such
