Standing Counsel

O R D E R

The petitioner seeks a mandamus in respect of a representation dated 06.06.2019. I am of the view that the writ petition is premature and that reasonable time should be given to the respondent to receive, process and thereafter act upon the representation made.

2.Considering the above, I am constrained to dismiss this writ petition *in limine* and I do so. No costs. However, liberty is granted to the petitioner to move the court at a more appropriate juncture in future, should it become necessary.
