2.The Teachers Recruitment Board has filed this review application seeking review of the order dated 22.08.2017, whereby, W.A.(MD) No.448/2014 was dismissed. The said writ appeal was filed by the review applicant challenging the order passed by the learned single Judge, whereby the entire selection process had been set at naught. The order passed by the learned single Judge was sustained by the Division Bench. The learned single Judge had held that the Board was clearly wrong in recruiting candidates as special Teachers only through the Employment Exchange. The Board had not invited any application from the open market. Since the decision of the learned single Judge was predicated on the decision of the Hon'ble Supreme Court in ***Excise Superintendent Malkapatanam, Krishna District, AP v. K.B.N.Visweshwar Rao and others [(1996) 6 SCC 216]*** and ***Union of India v. N.Hargopal and others (1987) 3 SCC 308***, the Division Bench confirmed the order.

3. The learned Special Government Pleader points out that as a result of the order passed by the Division Bench, a very large number of persons, who had been selected pursuant to the impugned selection notice would have to be ousted. He pointed out that in similar case, the Hon'ble First Bench as well as the other Division Benches had taken an indulgent view and specifically observed that the persons, who had already been selected will not be disturbed. The learned counsel specifically drew our attention to the order dated 03.11.2015 in W.A.(MD) No.1114/2015, in which, it was observed as follows:

"8.Mr.K.Chellapandian, learned Additional Advocate General appearing for the appellants submits that after the judgment of the learned Judge, the Government had started following the practice of inviting the list of candidates from the Employment Exchange and also making paper publication inviting applications from the open market. The Government has no difficulty in following the same practice in future. But only insofar as the recruitment that took place in 2012, 350 persons cannot now be sent out.

9.Considering the limited nature of the grievance and also considering the fact that there was no interim stay of G.O.Ms.No.10, Animal Husbandry and Fisheries (AH-1) Department, dated 27.01.2012, during the pendency of the writ petition, we are of the view that the order of the learned Judge could be modified to a limited extent so that persons who are already appointed pursuant to the order impugned in the writ petition need not be disturbed

as they were also not parties before the learned Judge.

10. In view of the above, the writ appeal is disposed of confirming the order of the learned Judge on principle but clarifying that those appointed pursuant to G.O.Ms.No.10, Animal Husbandry and Fisheries (AH-1) Department dated 27.01.2012 shall not be disturbed. No costs. Consequently, M.P.(MD) No.2 of 2015 is closed."

4. All that the learned counsel seeks is making of similar observations and granting of similar protection. We must make it clear that this review application has been filed by a different counsel. We must remind the learned counsel that the contention now urged before us was not urged before the Division Bench, which disposed of W.A.(MD) No.448/2014.

5. Strictly speaking, the prayer now sought for by the learned counsel is beyond the scope of the review jurisdiction. We must specifically note that the order dated 03.11.2015 made in W.A.(MD) No.1114 of 2015 was never brought to the notice of the Division Bench, to which one of us (G.R.S.,J) is a party. However, in order to maintain consistency and uniformity, we deem it fit and proper to clarify that the persons, who had been selected pursuant to the notification impugned in the writ petition, will not be disturbed.

6. The Review application is disposed of on these terms. No costs.
