### C O M M O N O R D E R

The proceedings, dated...04.2015, issued by the Director and Project Director, Combined Child Development Services / second respondent are under challenge in the present writ petition.

2. On a perusal of the impugned proceedings, it is unambiguous that it is a circular communicated to all the District

Project Officers to send the particulars of the eligible candidates in the post of Anganwadi Workers for the purpose of providing them Village Health Nurse Training. In other words, the impugned circular states that the particulars of the eligible Anganwadi Workers are to be sent for the purpose of providing them Village Health Nurse Training. Such a circular would not provide any cause of action for the writ petitioners to challenge the same. If at all the writ petitioners are aggrieved from and out of any such promotion or appointment, then alone, a writ petition can be entertained. Mere issuance of a circular to the District Project Officers directing them to send the particulars of the eligible Anganwadi Workers would not constitute a ground to file a writ petition nor this Court can grant any relief at this length of time, in view of the fact that the process of collection of particulars of the eligible Anganwadi Workers for the purpose of providing them Village Health Nurse Training had already been concluded long back. In view of efflux of time, no further adjudication is required in respect of the grounds raised in the present writ petitions and accordingly, the writ petitions stand dismissed. No costs. Consequently, connected miscellaneous petitions are closed.
