[Order of the Court was made by **K.RAVICHANDRABAABU, J.**]

This writ petition is filed challenging the election notification of the first respondent, dated 19.02.2019 pertaining to the co-operative Election to Trichy District Central Co-operative Bank Ltd., with a consequential direction to the 1st respondent to conduct the 3rd phase election for the Trichy District Central Cooperative bank only after the completion of 1st and 2nd phase election process and electing all office bearers for R.1523, L.Marudhur Primary Agriculture Co-operative Credit Societies, where first and second phase elections are not conducted, which are also form part of electoral college of Trichy District Co-operative Bank, within stipulated time to be fixed by this Court.

2.Heard the learned counsel appearing for the petitioner; the learned counsel appearing for the first respondent and the learned Additional Advocate General appearing for the respondents 2 to 5.

3.The main grievance of the petitioner is that election to Trichy District Central Cooperative bank, can be conducted only after conducting the primary Co-operative Societies' Election. In

other words, without conducting election to some of the primary Co-operative Societies, election to the District Co-operative Societies cannot be conducted.

4. The learned Additional Advocate General submitted that there are 567 primary co-operative societies, out of which, election to 554 Societies was over and only 13 Societies' election is pending. He further submitted that merely because some of the primary co-operative societies' election have not been conducted, that cannot stall the election to the District Co-operative Societies. In support of his contention, the learned Additional Advocate General has relied on a recent decision of the Division Bench of this court in W.P.(MD)No.4952 of 2019, dated 10.06.2019, wherein at paragraph Nos.13 to 16, it has been observed as follows:-

"13. In the order dated 05.10.2018 made in W.P(MD) No.20384 of 2018 [K.V.Jude Dev v. The Commissioner, Dairy Co-operative Societies Limited, Madhavaram Milk Colony, Chennai - 600 051 and others], the Division Bench of this Court, in paragraph No.24 observed that, "When elections were all conducted in 50 Co-operative Societies, for the sake of holding elections to the petitioner in the first phase of election in respect of two societies, we cannot make the elected Board of Directors in all Primary Milk Producers Co-operative Society to wait. That would also deprive them enjoying full tenure of five years."

14. In the order dated 16.10.2018 made in W.P(MD) No.21633 of 2018 [D.Sathaiya v. The Commissioner, Tamil Nadu Co-operative Societies Election Commission, Chennai - 18 and others], the Division Bench of this Court, in paragraph No.5, observed that "... Hence, with the office bearers as on date, the election of the sixth respondent can go on. Even otherwise, if for any reason, there was no election to the seventh respondent society, the administration of the sixth respondent society, in accordance with by-laws cannot be stalled."

15. It is also pertinent to point out at this juncture that in the affidavit filed in support of this writ petition, there is no specific averment as to the non-holding of the election in respect of MM-396 Sampattuviduthi Agricultural Co-operative Credit Society, Pudukkottai. Even otherwise, the counter affidavit of the respondents would disclose that the election process took place and 11 nominations were filed and all the 11 nominations were accepted and final list of contesting candidates were declared and in the light of the order passed in W.P(MD)No.7620 of 2018, result of the election was not declared and the said interim order was put to challenge before the Honourable Supreme Court in S.L.P(C)

Nos.10051-10059 of 2018, wherein the Honourable Supreme Court permitted the continuation of the election process with a rider that the results should not be declared and subsequently, it was disposed of by requesting this Court to dispose of W.P(MD)No.7620 of 2018 and accordingly, W.P (MD)No.7620 of 2018, etc., batch of cases, came to be disposed of, which also included the writ petition in W.P (MD)No.10588 of 2018, pertaining to the said Society and pursuant to the said order, four Committees were constituted and before one of the Committees, the said election dispute was raised and not pressed and as such, there cannot be any impediment to continue with the further election process.

16. Whether the election in the eye of law took place, in our considered opinion, revolve around the adjudication on disputed question of facts and as such, this Court in exercise of jurisdiction under Article 226 of the Constitution of India cannot venture into the said exercise for the reason that there is an effective alternative remedy available to the petitioner under the provisions of the Tamil Nadu Co-operative Societies Act, 1983 and the Rules framed thereunder."

5.Considering the fact that the issue involved in this case is also similar to the one, which has been dealt with by the Division Bench of this Court in the above said case, where the Division Bench also referred to various other orders passed by the other Division Benches, we are of the view that the present writ petition need not be entertained further. Accordingly, without expressing any view on the merits of the matter, this writ petition is disposed of, however, by granting liberty to the aggrieved parties, if any, to work out their remedy by way of filing applications under Section 90 of the Tamil Nadu Co-operative Societies Act, after the declaration of the results. Interim order granted, if any, stands vacated. No costs. Consequently, connected Miscellaneous Petitions are closed.
