ORDER

This Writ Petition has been filed seeking to quash proceedings of the second respondent viz., the Joint Director of Agriculture, Sivagangai, relating to his letter in M.vz;.mep1/10932/2014(2), dated 25.07.2017.

2.The case of the petitioner is that lastly he served as Assistant in the office of the second respondent herein and he retired from service on 31.05.2015, on attaining the age of superannuation. The selection grade given to the petitioner, in the cadre of Assistant, counting the services in the cadre of Junior Assistant from 01.12.2003, was cancelled, based on the objection raised by the first respondent, dated 19.01.2017. Therefore, the second respondent, vide his proceedings dated 25.07.2017, directed the petitioner to pay a sum of Rs.35,075/- towards recovery. Challenging the same, this Writ Petition has been filed, seeking the abovesaid relief.

3. The learned counsel for the petitioner submitted that no recovery can be made after retirement, that too after a lapse of 2 years from the date of retirement. In support of his contention, the learned counsel relied upon a judgment in the case of **State of Punjab and others vs. Rafiq Masih (White Washer) and others** reported in (2015) 4 Supreme Court Cases, 334, which stipulates the mode of recovery. The learned counsel also relied upon a judgment of a Division Bench of this Court in the case of **The Special Officer Vs. S.Kadiresan** reported in (2014) 8 MLJ 385, wherein also it is held that no recovery can be made after retirement. Therefore, following the said decisions, the orders passed by the second respondent, dated 25.07.2017, is liable to be quashed.

4. The learned counsel for the petitioner also brought to the notice of this Court the order of this Court made in W.P(MD)No.2647 of 2014, dated 19.8.2016, in the case of **D.Susairaj vs. The District Treasury Officer, Perambalur and another**, wherein, this Court, at Paragraph No.10, has held as follows:-

'10. Even though it has been claimed, by the first respondent, that the Petitioner had given his consent for recovery, the said consent cannot be taken into serious consideration, as the Petitioner had raised objections against the recovery, in his representations made to the authority concerned. It is also clear from the decision of the Supreme Court, made in State of Punjab and others .vs. Rafiq Masih (White Washer) and others reported in (2015) 4 SCC 334 that no recovery can be made from a retired employee''

5. Such an issue was also considered by the Division Bench of this Court in W.A.(MD)No.638 of 2012, dated 12.3.2018, in the case of **the Executive Engineer, Public Works Department, (Machinery Sub-Division) Chennai-5 and another vs. P.Karuppaiah**, wherein, in Paragraph No.4, it is held as follows:-

'4. In the instant case, the Writ Court noted that without issuing notice to the respondent/Writ Petitioner, recovery was sought to be effected and it is not sustainable as it amounts to violation of principles of natural justice. In such circumstances, the Court would have remand the matter to the authorities for fresh consideration giving them liberty to issue show cause notice. We are to take a decision as to whether such course has to be adopted in the present appeal. The legal position as pointed out in the aforementioned decision leads to a conclusion that the respondent/Writ Petitioner is liable to make good the excess payment received by him, in the light of the undertaking. However, in the peculiar facts and circumstances of the case, the Petitioner having retired from service, the recovery of the excess amount of around Rs.20,000/- (Rupees twenty thousand only) shall not made.''

6. The Division Bench of this Court in **Tamil Nadu Civil Supplies Corporation, represented by its Managing Director, No.12, Thambusamy Road, Kilpauk, Chennai-600 010 and another vs. P.Ganesha**

Rao and in yet another case in W.A.No.207 of 2019, dated 24.1.2019, has passed an order on the same lines, which affirms that there shall not be any recovery and at Paragraph Nos.5 to 8, it is held as follows:-

''5.The learned counsel for the appellants would strenuously contend that the judgement of the Honourable Supreme Court in Rafiq case(cited supra) should not be applied, because the writ Petitioner/respondent himself has consented for recovery of the amount and once he has consented the government was completely at liberty to withhold the amount. He submitted that Rafiq's case (cited supra) will not be applicable, where the retired employee consented to the recovery of the amount, which has been paid in excess to him.

6.We are afraid that the said argument can hold water. There is nothing in the said judgement, which would state that if the employee consents, then the employer is at liberty to withhold such amount. The law laid down by the Honourable Supreme Court in Rafiq's case(cited supra) categorically states there cannot be any recovery from a retired employee. No amount of consent by a retired employee would permit the employer to withhold any amount. The law laid down by the Honourable Supreme Court is binding on all.

7.As per Article 141 of the Constitution of India, the law declared by the Honourable Supreme Court is binding on all Courts within the territory of India. The said judgement of the Rafiq's case(cited supra) is bind, which categorically states that there can be no recovery from a person, who has retired.

8.During the course of the arguments, G.O.Ms.No.286, Finance (Pension) Department, dated 28.8.2018 was brought to our notice. A perusal of the said Government Order would show that the Government has implemented the above said decision and issued a Government Order.''

7.The learned Standing Counsel appearing for the first respondent submitted that the petitioner already retired from service and the selection grade given to him, in the cadre of Assistant, counting the services in the cadre of Junior Assistant from 01.12.2003, was cancelled and in order to rectify the same, the impugned order is passed and therefore, the same does not require any interference by this Court and therefore, the learned Standing Counsel prayed for dismissal of the Writ Petition.

8.The learned Additional Government Pleader appearing for the respondent 2 reiterated the stand taken by the learned Standing counsel appearing for the first respondent.

9.Considering the facts and circumstances of the case and having regard to the submissions made on either side and also following the above said decisions, the impugned order passed by the second respondent in ஆ.என்.அந்1/10932/2014(2), dated 25.07.2017, stands quashed.

10. At this juncture, the learned counsel appearing for the petitioner submitted that the respondents may be directed to refund the amount, if any, recovered from the petitioner. The learned Standing Counsel appearing for the first respondent has strongly objected for refund of the said amount by relying upon the orders passed by this Court. Therefore, the petitioner is at liberty to approach the concerned authority and make a representation and place the judgments of this Court, for refund of the amount, if any. If any such representation is received, the authority concerned shall pass appropriate orders, within a period of four weeks from the date of receipt of such representation.

11. The Writ Petition is allowed accordingly. No costs. Consequently, connected Miscellaneous Petition is closed.
