For P

ORDER

2.The petitioner seeks restoration of the petition mentioned service connection. It is seen that the petitioner herein filed O.S.No.414 of 2010 seeking permanent injunction, restraining the official respondents herein from disconnecting the electricity connection. The said suit was dismissed on 29.04.2015.

4. When the petitioner lost the civil suit after a contest, it is not open to the petitioner to rush to writ Court for restoration of the connection that was cut following the dismissal of the suit.

6. The learned counsel for the petitioner would claim that it dismissed with liberty. But then, the order copy does not reflect the same. Therefore, the petitioner claims to have circulated a letter for listing the matter "for being mentioned".
