The petitioner is the owner of a **Tractor and Trailer** (in short 'vehicle') bearing Registration No.TN-47-AX-9645 and claims to use the same for legitimate business purposes. He also states that he ekes his livelihood wholly from the income derived from the said vehicle. On 02.07.2015 the vehicle was seized by the third respondent on the ground that it was transporting sand without a valid license. The vehicle is presently in the custody of the third respondent.

2. According to the petitioner, the above allegation is incorrect and his stand will be vindicated in the course of enquiry, that is, according to the learned Special Government Pleader, who appears for all the respondents, presently on-going.

3. Pending enquiry, I am of the view that the vehicle should be handed back to the possession of the petitioner for the reason that the respondents are not in a position to protect the same against the onslaught of the elements.

4. The third respondent is directed to release the vehicle forthwith and in any event within a period of one week from today strictly subject to the satisfaction of the following conditions:-

- i. The petitioner is directed to remit a sum of **Rs.25,000/- (Rupees Twenty Five Thousand only)** to the second respondent for deposit into the District Mineral Foundation Trust that has been constituted under the aegis of the second respondent.
- ii. The petitioner is directed to file an affidavit of undertaking within three days from today to the effect that he is the owner of the vehicle, he will cause production of the vehicle in question before the competent/concerned respondent (as the case may be) as and when called for and that he will not alienate the vehicle in question till the enquiry initiated is completed;
