More specifically for the purpose of erection of sub station. The certificate regarding the land acquisition was also issued to the writ petitioner . The petitioner claims that the land losers are entitled to get an appointment in the Electricity Board and he made a representation to provide an appointment in the Electricity Board and the said representation has not been considered so far.

Thus the appointments are to be made strictly in accordance with the terms and conditions if any priority has been provided for the land losers with reference to the land acquired from the writ petitioner. This being the method to be strictly followed, the respondents are directed to consider the case of the writ petitioner strictly in accordance with the terms and conditions of scheme, if any in force for appointment of land losers and if any such scheme is available under the category, such an exercise shall be done by the authorities as expeditiously as possible.
