O R D E R

The petitioners herein want this Court to quash the impugned First Information Report.

2. A mere reading of the First Information Report would indicate that there was a dealing between the first petitioner Saravanan and the defacto complainant. When the second respondent called upon the first petitioner to repay the borrowed amount, the first petitioner is said to have given the title deed belonging to the second petitioner. Except this, the second petitioner herein does not appear to have played any role in the transaction between the first petitioner and the defacto complainant.

3. In this view of the matter, the impugned First Information Report stands quashed as far as the second petitioner

is concerned. It will of course remain as far the first petitioner is concerned.

4. The Criminal Original petition stands partly allowed. Consequently, connected Miscellaneous petition is closed.
