allowing them to survey the land and hence, he seeks police protection.

3.Considering the fact and circumstances of the case and considering the fact that requisite fee has been paid by the petitioner, this Court is of the view that the concerned Surveyor has to survey the property of the petitioner and if the concerned Surveyor feels any difficulty to survey the land, he can very well seek police protection before the concerned police officials. If the Surveyor seeks any police protection during the survey of the land, the respondent police are directed to consider the same and provide adequate police protection to survey land.
