2. The impugned order states that the claim of salary from the date of initial appointment cannot be considered and the Teachers are eligible to get Government salary only with effect from the date of approval of appointment.

3. In the present case on hand, the writ petitioner was appointed as a Secondary Grade Teacher in Bala Middle School, Madurai, on 17.04.1988. However, the approval of appointment was granted with effect from 02.06.2003. In view of the fact that the appointment of the writ petitioner was approved with effect from 02.06.2003, the writ petitioner is entitled to get the Government salary only with effect from the date of approval and in respect of the earlier service, the School Management is liable to pay the management salary to the writ petitioner. However, in respect of the similar issue, the Honourable Division Bench of this Court has passed an order, dated 21.03.2018 in W.A.Nos.74 of of 2015 and 957 of 2016.

4. In view of the fact that salary has already been paid in favour of the writ petitioner with effect from the date of the approval of the appointment, the writ petitioner cannot claim any Government salary for the period during which she served in the School without any approval. Thus, the writ petitioner is at liberty to claim salary from the Management for the period during which she served as unapproved Teacher.

5. This being the factum, there is no infirmity in respect of the impugned order passed. Accordingly, the writ petition is disposed of with a direction that in the event of any claim by the writ petitioner, the same is to be considered by the Management of the School concerned forthwith. No costs. Consequently, connected miscellaneous petition is closed.
