8. Considering the nature of the matter, this Court is convinced that it would not be appropriate to sever the subdivisions qua suit and impugned order. Therefore, this Court is

left with the considered view that there is no tenable ground to interfere with the impugned order as it is primarily predicated on pendency of aforementioned suit.

9. The writ petitioner has also been served with suit summons besides the first respondent RDO, who passed impugned order. The parties have to necessarily await suit being carried to its logical end.

10. Suffice to say that it is open to writ petitioner to approach the first respondent with the same plea after disposal of the suit and obviously subject to outcome of the suit.

11. Writ Petition is disposed of with above directives. No costs. Consequently, connected Miscellaneous Petition is closed.
