

HONOURABLE SRI JUSTICE SANJAY KUMAR

WRIT PETITION No.4924 of 2019

ORDER:

The grievance of the petitioner is that the Sub-Registrar, Quthbullapur, Medchal-Malkajgiri District, the third respondent, is refusing to register the sale deed presented by him in relation to his residential house bearing Plot No.91A admeasuring 245 square yards situated in Sy.Nos.329/4 and 329/5 of Mahadevapuram Residential Project, Phase-III, Gajula Ramavaram Village, Quthbullapur Mandal and Municipality under GHMC Circle, Medchal-Malkajgiri District, (formerly known as Ranga Reddy District), on the strength of the Notification dated 25.09.2013 issued by the Collector, Medchal-Malkajgiri District.

Sri K.Ravinder Reddy, learned counsel for the petitioner, would inform this Court that a similar Notification dated 26.09.2013 was considered by the common High Court for the States of Telangana and Andhra Pradesh earlier in Writ Petition No.19069 of 2014 and the common High Court directed entertainment of the document for registration in that case without reference to the said Notification. He would also point out that similar were the observations of another learned single Judge of the common High Court for the States of Telangana and Andhra Pradesh in Writ Petition No.38491 of 2018.

Perusal of the Notification dated 25.09.2013 would demonstrate that the Collector, Medchal-Malkajgiri District, purported to issue the said Notification notifying lands under Section 22-A(1)(a) of the

Registration Act, 1908 (for brevity, 'the Act of 1908') and invited objections and suggestions from the affected people.

Section 22-A(1)(a) of the Act of 1908 prohibits registration of documents relating to transfer of immovable property, alienation or transfer of which is prohibited under any statute of the State or the Central Government. Significantly, no procedure is prescribed to the effect that a prohibitory list in relation to the lands which would be covered by Section-22-A(1)(a) of the Act of 1908 should be prepared only after calling for objections. The procedure underlying the Notification dated 25.9.2013 was therefore not sourced in any law and the orders aforesated directing the registration authorities to ignore the same cannot be said to be without basis.

In that view of the matter, the Writ Petition is disposed of directing the third respondent to receive and process the document presented by the petitioner without reference to the Notification dated 25.09.2013 issued by the Collector, Medchal-Malkajgiri District. In the event the said document is found to be fit for registration, the third respondent shall complete the due formalities in accordance with law and release the document. However, if he still finds any ground to exercise power under Section 76 of the Act of 1908 and refuse registration, he shall pass a reasoned order and communicate the same to the petitioner. This exercise shall be completed expeditiously and in any event, not later than one month from the date of receipt of a copy of this order, be it from whatever source. It is also made clear that mere registration of this document would not confer title upon the

property covered thereby, if it is otherwise wanting, and would not preclude the Government from taking appropriate steps as warranted by law, if it seeks to assert any right or title over the said land.

Miscellaneous petitions pending in this writ petition shall stand closed in the light of this final order. No order as to costs.
