

**HON'BLE THE CHIEF JUSTICE SRI THOTTATHIL B. RADHAKRISHNAN
AND
HON'BLE SRI JUSTICE A. RAJASHEKER REDDY**

WRIT APPEAL No.1643 OF 2018

JUDGMENT: *(per the Hon'ble the Chief Justice Sri Thottathil B. Radhakrishnan)*

Hearing the learned counsel for the appellant and the learned counsel appearing for the respondents, we see that with the passage of time, the issue sought to be raised has become stale because the period of Committee to be in office has already expired.

2. The writ appellant, who claims to be belonging to the family of the founder of the endowment, claims that in terms of the provisions of the Telangana Charitable and Hindu Religious Institutions and Endowments Act, 1987, and in terms of the practice and procedure, a member of the family is also eligible for being considered to be included. Obviously, we see that there will be an element of interest for a member of a family of the founder to see that the endowment and the institution works for the purpose of its creation and such inclusion may be in the best interests of the institution. However, if the very particular person considered to be so included is found to be not fit to be included for reasons attributable to his conduct or otherwise, that is the matter for competent authority to consider.

3. In the light of the aforesaid, while we close the impugned proceedings as having worked itself out with efflux of time, we

leave open all issues including the one which we have noticed hereinabove.

4. The Writ Appeal is ordered.

5. Pending miscellaneous petitions, if any, shall also stand disposed of. There shall be no order as to costs.
