This is a contempt petition alleging non-compliance of the order dated 27.7.2018 passed by this Court in CRM-M No. 31772 of 2018. The said order is reproduced below:

“The petition is disposed of with a direction to the Commissioner of Police, Ludhiana, respondent No. 2, to look into the grievances of the petitioner as contained in representation Annexure P-6 and if he comes to the conclusion that the facts and circumstances of the case warrant taking of any action in the matter, then the needful be done as per law, within two months from the date of receipt of a copy of this order in his office.”

The abovesaid petition was disposed of with a direction to the Commissioner of Police, Ludhiana to look into the grievances of the petitioner as contained in the representation and thereafter take action if so

warranted. The needful was to be done within two months from the date of receipt of copy of the order.

Learned counsel for the State, on instructions from SI- Jaswinder Singh, submits that in spite of the efforts by the police, the petitioner never came forward to substantiate the allegations made in the representation and hence the same has been filed.

Learned counsel for the petitioner is not in a position to dispute that fact.

No case for contempt is made out. However, in the interest of justice, the respondent is directed that in case fresh representation is filed by the petitioner and she co-operates, the grievance should be looked into as expeditiously as possible.

The contempt petition stands disposed of.
