The litigation was with regard to providing external development work to the colony built by the petitioner. The grievances surviving were with regard to water connection, sewerage connection and construction of 60 meter wide road as per master plan between Sector 5-15, 4, 4-A and 3, 3-A & B.

Learned counsel for the respondents, on instructions, submits that in case the formalities are completed by the petitioner the connection of the sewerage and water supply would be connected to the existing main line within one week thereafter. He further relies upon the affidavit dated 09.09.2019 to state that the 60 meter wide road as per the master plan would be completed by 31.12.2019.

In view of the above, the contempt petition is disposed of. However, the petitioner would be at liberty to avail remedies in accordance with law, in case some grievance still survives.

Rule issued against the respondents is discharged.
