CORAM : HON'BLE MRS. JUSTICE LISA GILL

Present: None.

Lisa Gill, J. (Oral)

Notice of motion was issued on 15.3.2018 to look into the reasonableness of the mesne profits assessed by the Appellate Authority. Notice could not be issued to the respondents as process fee was not filed by the petitioner.

It is noticed that despite opportunity, necessary steps have still not been taken by the petitioner. Today, there is no representation on behalf of the petitioner, as was the position on the last date of hearing. It appears that the petitioner is no longer interested to pursue the present revision petition.

Accordingly, this revision petition is dismissed in default and for non-prosecution.
