AMIT RAWAL, J. (ORAL)

The present revision petition is arising out of the order of the Arbitrator declining the amendment of the claim petition.

The short point involved in the present revision petition is whether the order of the Arbitrator can be assailed in the civil appeal. The answer is 'No', for, whatever the application is filed, only the award of the arbitrator can be assailed.

No ground is made out for interference. Accordingly, the present revision petition is dismissed.
