RAJ MOHAN SINGH, J. (Oral)

During course of hearing it has been brought to the notice of the Court that the suit itself has been dismissed by the trial Court.

Perusal of the order dated 03.10.2016 would show that the passing of final order by the trial Court was stayed. It has been informed by learned counsel for the petitioner that an appeal has been preferred against the judgment and decree of the trial Court, wherein possibility of remand of the case on the strength of order dated 03.10.2016 would be under consideration.

In all probability the effect of interim order dated 03.10.2016 passed by this Court shall be considered by the lower Appellate Court in accordance with law.

In case the lower Appellate Court decides the appeal on merits and petitioner, if aggrieved, may file an appropriate application for seeking revival of this revision petition in accordance with law.

With the aforesaid liberty, this revision petition is disposed of.
