VS.
KULDEEP SINGH

Present: Mr. Sandeep Moudgil, Advocate
for the applicant-appellant.

CM No.3637-C of 2019

Prayer in this application is for condonation of delay of 294 days in filing the accompanying Review Application.

The reason which has been mentioned for the delay in filing the Review Application is that efforts were being made for settlement of the matter and the respondent was called on various occasions. Respondent failed to join the duties despite the fact that the applicant-Department contacted him on several occasions in the month of September 2018. Every time he assured that he would be joining the duty but did not turn up. It is after filing the execution application by the respondent that the present Review Application has been filed.

The reason which has been given and the explanation which has been put forth in the application by the applicant-appellant is unacceptable and cannot be said to be just and reasonable and, therefore, the present application for condonation of delay of 294 days in filing the Review Application stands dismissed.

RA No.19 of 2019

In the light of the dismissal of the application for condonation of delay as preferred by the applicant-appellant, the Review Application
