Report from the Executing Court received. Copies of interim orders have been attached. It seems that the Executing Court at times has granted adjournments without any justifiable reason. Expeditious disposal of the case is right of every litigant.

Under the circumstances, the present revision petition is disposed of directing the Executing Court to deal with the matter expeditiously by giving short adjournments, declining the request for adjournments which are without any justifiable reason.

A copy of this order be sent to the Executing Court through concerned District and Sessions Judge, for compliance.
