

RA-CR-15 of 2019 in
FAO No. 7624 of 2015

Satbir Singh Vs. Anil Kumar and others

Present: Mr.Hemen Aggarwal, Advocate
for the applicant-appellant.

Notice of the application.

Mr. S.P.Arora, Advocate, accepts notice on behalf of the non-applicant-respondent no.3.

Heard.

Perusal of decision dated 08.02.2019 reveals that typographical errors have crept in the table showing the details of compensation awarded. Though, the dependency after application of a multiplier of 11 is rightly calculated, it is wrongly mentioned that multiplier of 15 is applied, whereas it should read as 11. The total amount of compensation should read as ₹13,76,800/- instead of ₹13,40,800/-. Furthermore, claimant-applicant-appellant was held entitled to interest at the rate of 7.5% on the enhanced amount of compensation and not the entire amount as mentioned in the second last para of the order.

Table showing the details of compensation awarded and subsequent two paras mentioned at the last page of order dated 08.02.2019 passed in FAO No. 7624 of 2015 are substituted with the following:-

“Loss of dependency (₹9900/-x12x11)	₹13,06,800/-
Loss of consortium	₹40,000/-
Loss of estate	₹15,000/-
Funeral expenses	₹15,000/-
Total	₹13,76,800/-

Claimant shall be entitled to interest on the enhanced compensation amount at the rate of 7.5% per annum from the date of filing of petition till realization. Needless to say the amount, if any, already disbursed to the claimant shall stand deducted. Directions of the Tribunal in respect to manner of disbursement of compensation amount to the claimant, shall enure.

With the abovesaid modification in the amount of compensation, present appeal is disposed of.”

Rest of order dated 08.02.2019 passed in FAO No. 7624 of 2015 shall remain as it is. This order shall form part of order dated

08.02.2019.

Application is accordingly disposed of.
