Mr. Manwatan Pal Singh, Advocate for the respondent.

...

AVNEESH JHINGAN, J. (Oral)

The writ petition was filed by the petitioners raising an apprehension that sewerage pipeline of Shivalik Vihar Colony was being connected to village Bhabat which led to overflow of sewerage pipeline.

Learned counsel for the respondent relies upon the reply dated 5.10.2019 stating that sewerage of Shivalik Vihar Colony was always connected with village Bhabat and no new connection was being made. She further submits that the matter is being considered in view of the directions of this court in other case which have bearing on the said issue. She undertakes that a reasoned order would be passed on the representation filed by the petitioners within six weeks from today.

In view of the above, the contempt petition is disposed of.
