ARUN PALLI, J. (ORAL)

The petitioner is an advocate by profession and purports to have approached this Court in public interest. He is aggrieved as an ice cream factory is being run by M/s Sethi Ice Cream in flat No. 930, MIG Punjab Housing Board Colony, Jamalpur, Ludhiana, which is a part of a residential colony. Further, ammonia gases are being used to carry out the manufacturing process and its leakage poses a serious threat not only to the environment, but also to the inhabitants of the vicinity. The said concern alleged to have even encroached upon a part of the road that abuts the premises referred to above. It is urged that even though the petitioner had submitted a complaint dated 03.08.2018 (Annexure P-5) to the Chief Administrator, GALADA, Ludhiana, but the matter has not made any tangible progress since then. Having argued the matter at some length, learned counsel for the petitioner submits that let this petition be rather disposed of at this stage with a direction to the respondents to decide the

complaint/representation submitted by the petitioner within a specified time.

2. In the wake of the above and as the complaint submitted by the petitioner is pending consideration of the respondent-authorities, we rather deem it expedient and without commenting upon the merits of the case, to dispose of this petition only with a direction to the respondent-authorities to consider and deal with the grievance of the petitioner and decide the complaint submitted by him in accordance with law within eight weeks from the receipt of certified copy of this order. Needless to assert that a comprehensive order shall be passed assigning reasons in support thereof and after notice and opportunity of hearing to all the stakeholders, particularly, M/s Sethi Ice Cream Factory, referred to above.
