

State of Punjab and others

v.

M/s Harbhagwan Harbhajan Lal and others

Present:- Mr. Daldeep Singh, DAG, Punjab

By this application, the Punjab State Power Corporation, through its Executive Engineer, seeks to be impleaded as petitioner no.1 in the accompanying revision petition, (actually instead of the sole remaining petitioner, i.e. The Executive Engineer Hydel Construction Division No.1, Nangal Township), in view of the fact that the said Corporation has now substituted the Punjab State Electricity Board, with the State of Punjab, i.e. originally petitioner no.1, already having been transposed as respondent no.3 vide an order passed by this Court on March 13, 2015.

Notice having been issued in this application, as per the report of the Registry, service is complete and consequently, with none opposing the application, it is allowed in terms of the prayer made therein.

The amended memo of parties is ordered to be taken on record.
