The petitioner is aggrieved of the action of the respondent-UHBVN whereby the electricity connection in favour of the petitioner has been disconnected and even the transformer has been removed.

Counsel for the petitioner submits that the estimate for providing connection as also erection of the transformer had been passed by the officials of the respondent-Corporation and in pursuance thereof, the requisite payment had been deposited. Thereafter, without issuing show cause notice, the electricity connection has been snapped.

Having heard the counsel for the petitioner at length and without going into the merits of case, the instant

writ petition is disposed of in terms of granting liberty to the petitioner to pursue his grievance before the concerned authorities under the UHBVN.
