On 08.11.2016, an advertisement was issued for recruitment of Wardens Male and Matrons Females. Petitioner applied in the category of SC M&B. After selection process was over, petitioner came to know that he has secured 25 marks. His main grouse is that respondent no. 3 who is less qualified than petitioner has been selected. While petitioner is a graduate, respondent no. 3 has passed only matriculation. Admittedly, selection process does not envisage additional marks for higher qualification. In view of same, petition is without any merit and is hereby dismissed.
