AMOL RATTAN SINGH, J. (ORAL)

Pursuant to the order of this Court dated 08.05.2019, the report of the learned Chief Judicial Magistrate, Panchkula, has been received, also annexing therewith the order passed by that Court on 28.05.2019, stating therein that the complainant in the FIR in question, i.e. respondent no. 2 Meena Sehgal, had suffered a statement admitting to the compromise entered into between her and the petitioners (though in the said order the names are simply given as Ashok Rana Murti etc.), and that nothing is due to be paid to her by them.

It has also been stated in the said order that the compromise seems to have been entered into without any kind of undue influence or pressure.

Copies of the statements of the complainant, Shish Pal Singh, and of Minal Talwar authorised signatory of petitioner no. 1, have also been annexed with

the petition.

Learned counsel for respondent no. 2, i.e. the complainant, also appears and submits that though the statement of only two of the petitioners were recorded, however, no grievance remains qua any of the 06 petitioners. Learned State counsel also does not specifically state that there are any other criminal cases registered against the petitioners.

Consequently, the petition is allowed and FIR No. 47 dated 09.02.2019, registered against the petitioners at Police Station Sector-5 Panchkula, for the alleged commission of offences punishable under Sections 419/420/467/468/471/120-B IPC, along with all proceedings emanating therefrom, is hereby quashed.
