Kuldeep Singh, J. (Oral)

Petitioner was initially released on parole for six weeks under Section 3 of the Haryana Good Conduct Prisoners (Temporary Release) Act, 1962 vide order dated 7.3.2019 (Annexure P1). Petitioner subsequently filed CWP 10309 of 2019 for extension of parole, as he was required to undergo surgery of spine. On the basis of medical prescription dated 9.4.2019, his parole was extended by this Court vide order dated 18.4.2019 for four weeks. Thereafter, the present petition was filed for further extension of parole on medical ground. Vide order dated 16.5.2019, the petitioner was directed to surrender before jail authorities, who were directed to produce him before Civil Surgeon and get the opinion whether petitioner requires immediate surgery or not?

Today, short affidavit of Mr.Gurmukh Singh, PPS, DSP,

Central Jail, Patiala has been filed. It is accompanied by the opinion of the Medical Board, constituted by Civil Surgeon, Patiala, after examining the patient has opined that the patient Gurdeep Singh presently does not require any surgical intervention.

It being so, there is no ground to further extend the parole, which has already expired. However, the jail authorities can consider providing the facility of *Yoga* to the petitioner in jail, if the same can improve his medical condition.

Resultantly, the present petition stands dismissed.
