RAJBIR SEHRAWAT, J. (Oral)

This revision petition has been filed by the petitioner, the complainant in the trial, seeking quashing of judgment dated 06.10.2012 passed by Additional Sessions Judge, Sonapat, whereby the judgment dated 27.04.2010 passed by the trial court; acquitting the respondent, in a complaint case No.40/RT of 2005/2009 filed under Section 138 of the Negotiable Instruments Act, 1881 read with Section 420 IPC, was upheld

The counsel for the respondent submits that in compliance of order dated 20.11.2019 passed by this court, on undertaking of the respondent, the respondent has brought a demand draft No.002639 dated 11.12.2019 for an amount of ₹7,00,000/- (rupees seven lacs) in the name of the petitioner/complainant. Photocopy of the same is taken on record of this petition. It is further submitted that this be taken as full and final settlement of the dispute, and the complaint against the petitioner be quashed.

The counsel for the petitioner also submits that he does not have any objection if the entire dispute between the parties regarding the cheque in question is taken as resolved and the proceedings in the matter, including the complaint against the respondent, are quashed. Accordingly the draft mentioned above is handed over to the counsel for the petitioner for onward handing over of the same to the petitioner for encashment.

In view of the above, the present petition is disposed of on the basis of the above said compromise; and the complaint and all the proceedings arising from the complaint No.40/RT of 2005/2009, are hereby quashed.
