CRM-12583-2019

This application has been filed for extension of stay granted by
this Court on 2.5.2016.

With the consent of the parties, the date of main case is
advanced and the same is taken up on board for hearing.

Application stands disposed of.

Main Case

This petition has been filed against the order dated 16.2.2016
passed by the Trial Court disallowing the application filed by the
complainant-petitioner for cutting short the testimony of the DW-6 and for

direction given by the Trial Court to that witness to bring certain record.

After arguing for some time, it has been agreed between the parties that the said witness will come for cross-examination but would not produce the record which was directed to bring in the impugned order.

It has been further agreed that counsel for the respondent would seek only one more opportunity after 18.5.2019 to conclude his entire evidence.

Petition stands disposed of with the abovesaid observations.

Since the main case has been decided, the pending criminal miscellaneous application, if any, also stands disposed of.
