CORAM: HON'BLE MR. JUSTICE RAJ MOHAN SINGH

Present: Mr. Satish Goel, Advocate,
for the petitioners.

RAJ MOHAN SINGH, J. (ORAL)

Perusal of the impugned order would show that evidence of the workman was closed on 23.02.2016. In the evidence of the management, affidavit of Pawan Kumar was tendered as Ex.M4 on 15.05.2018.

While appearing as MW2, the witness has not mentioned anything about the Experience Certificate Ex.W2 that the same was not signed by him. Similarly, affidavit of MW1 is also silent about material particulars of the Experience Certificate being not signed by the Management person.

Even Sukhdev Singh has not come forward for his cross-examination.

In view of aforesaid, petitioner cannot be permitted to examine Handwriting Expert at this stage, particularly when there is no such denial pleaded by the petitioner in the pleadings and the affidavits of the witnesses.

This revision petition is accordingly, dismissed.
