AT CHANDIGARH**

CRM-M-25192-2019

Date of Decision: 06.11.2019

Munish Kumar

.....Petitioner

Vs.

Amanat Singh

.....Respondent

CORAM: HON'BLE MR. JUSTICE AMOL RATTAN SINGH

Present: None for the petitioner.

AMOL RATTAN SINGH, J. (ORAL)

By this petition, the petitioner seeks quashing of Criminal Complaint No. NACT/000/031/2014, pending in the Court of Smt. Manpreet Kaur, Judicial Magistrate Ist Class, Gurdaspur, under the provisions of Section 138 of the Negotiable Instruments Act, with him also seeking that the order decelerating him to be a Proclaimed Person be also set aside, on the basis of a compromise stated to have been reached between the parties.

A copy of the compromise deed has been annexed with the petition as Annexure P-3.

It is seen that when the petition was initially filed on 30.05.2019, a request for an adjournment had been made, with none having appeared for the petitioner thereafter either on the next date of hearing, i.e. 31.07.2019, nor on the subsequent two dates, i.e. 17.09.2019 and 27.09.2019.

Thus, despite the compromise stated to have been reached, obviously, there seems to be some issue in the matter due to which the petitioner is not pursuing the petition.

Dismissed for non-prosecution.
